The main directions of socio-economic development of New Uzbekistan: problems and solutions collection of materials of the international scientific and practical conference on the topic – Jizzahk: Department of economics and tourism of Jizzakh branch of the national university of Uzbekistan named after Mirzo Ulugbek, December 6, 2024, 450 pp.

Editors in charge: DSc.prof. Turakulov O.X., PhD. O'ralov A.I.

In the collection of materials of the conference, the role and role of Science, Education and production in the era of globalization, the pressing problems of the issues of interaction of these processes, feedback on their solutions were presented by mature specialists of the field.

In addition, research on the scientific and practical topic, carried out in the economics, Exact Sciences, Natural Sciences and socio-humanities during the globalization period, information is presented in the scientific and practical fields, which includes the latest innovative technologies in the fields of production.

It can be argued that this collection is one of the specific intersections of current thoughts and innovative ideas of the world of science. This scientific and practical conference was actively attended by professors and scientific researchers engaged in scientific research in Uzbekistan and foreign countries. In increasing the position of the scientific and practical conference, the professors and teachers of domestic and foreign higher educational institutions made a significant contribution.

Professors and teachers of foreign higher educational institutions who actively participated in the work of the conference made a worthy contribution to the high level of interaction with scientists of our country. The processes of international cooperation with foreign countries and exchange with them in the field of Science in the era of globalization have a positive effect on the development of Higher Education, the fields of Science and production. The materials of this conference are special in that they include a wide range of research, from theoretical developments to practical solutions, demonstrating the diversity of approaches and directions in this area.

In conclusion, it should be noted that this scientific and practical conference will be a very useful collection for everyone who is interested in modern research in the fields of further development of Higher Education, Science, Education and production in the era of globalization. The authors are responsible for the content and quality of the articles and abstracts included in the collection.

O‘ZBEKISTONDA KRIMINAL XUFYONA IQTISODIYOTGA QARSHI KURASHISH YO‘LLARI

Annotatsiya: O‘zbekistonda kriminal xufyona iqtisodiyotga qarshi kurashish yo‘nalishlari va strategiyalari unda xufyona iqtisodiyotning salbiy oqibatlari, mavjud holat va uni kamaytirish bo‘yicha chora-tadbirlar ko‘rib chiqiladi.

Kalit so‘zlar: Xufyona iqtisodiyot, kriminal faoliyat, korrupsiya, soliqlardan qochish, iqtisodiy barqarorlik, qonunchilik.

O‘zbekiston iqtisodiyotida xufyona yoki noqonuniy iqtisodiy faoliyat salmoqli o‘rin egallashi mamlakat rivojlanishiga jiddiy to‘siq bo‘lmoqda. Ushbu faoliyat asosan soliqlardan qochish, noqonuniy savdo, korrupsiya va rasmiy nazoratdan qochgan biznes shakllarida namoyon bo‘ladi. Bunday holat davlatning byudjet daromadlariga putur etkazib, ijtimoiy xizmatlar sifatini pasaytiradi. Shu sababli, xufyona iqtisodiyotga qarshi kurash dolzarb masalalardan biri bo‘lib qolmoqda.

Xufyona iqtisodiyotga qarshi kurashda birinchi navbatda iqtisodiy qonunchilikni takomillashtirish muhim ahamiyatga ega. Mavjud qonunlarning qat'iy bajarilishi va ularga rioya qilishning samarali nazorati xufyona faoliyatning kamayishiga olib keladi. Bundan tashqari, davlat organlari tomonidan korrupsiya va mansabdor shaxslarning vakolatlarini suiiste'mol qilishiga qarshi kurashish zarur. Korrupsiyaga qarshi kurash strategiyasini amalga oshirish orqali xufyona iqtisodiyotning ildizlari zaiflashadi.

Fuqarolarni soliqlarni to‘lashga undash va soliqlarning shaffofligini oshirish ham muhim omillardan biridir. Soliq tizimini soddalashtirish va soliq to‘lovchilarga qulay sharoit yaratish davlatga bo‘lgan ishonchni oshiradi va xufyona iqtisodiyotning qisqarishiga yordam beradi. Shu bilan birga, rasmiy ro‘yxatdan o‘tmagan biznes subyektlarini aniqlash va ularga qonuniy faoliyat uchun imtiyozlar taklif etish ham samarali chora bo‘lib xizmat qiladi.

Ta’lim va targ‘ibot ishlari orqali xufyona iqtisodiyotning jamiyatga keltiradigan zararlarini tushuntirish fuqarolarning huquqiy madaniyatini oshiradi. Iqtisodiyotni raqamlashtirish va elektron tizimlarni joriy etish orqali noqonuniy iqtisodiy faoliyatni kuzatish va nazorat qilish osonlashadi.

Xulosa. Xufyona iqtisodiyotga qarshi kurashish O‘zbekiston iqtisodiy barqarorligi va ijtimoiy taraqqiyotini ta'minlashda muhim ahamiyatga ega. Bu yo‘lda qonunchilikni mustahkamlash, korrupsiyani kamaytirish, soliqlarning shaffofligini ta’minlash va fuqarolarni iqtisodiy bilimdon qilish muhim chora-

tadbirlardir. Samarali kurash orqali mamlakatda iqtisodiy faoliyatning qonuniy va shaffof rivojlanishi uchun mustahkam poydevor yaratiladi.
